

Baie welkom aan elkeen wat reeds deel is van die Klein Boishaai-familie. 'n Spesiale woord van welkom aan al ons graad 1- en nuwe ouers. Ek is oortuig daarvan dat u sommer reeds ingeskakel het en tuis voel in u nuwe omgewing.

May I say that I am very proud to be part of this prestigious institution and am looking forward to a successful career as part of the Klein Boishaai family.

Ek verklaar hiermee dat ek my verbind tot die etos en tradisies van hierdie skool en sal daarna strewen om doelwitte te formuleer en te bereik wat dit ondersteun en verder uitbrei.

Our focus will be on:

- Good sportsmanship;
- Impeccable conduct ; and how to be
- An excellent learner

We need your support to establish these values in our boys.

Ek sluit af met die volgende:

*" Die beste ding wat jy op jou kinders kan spandeer, is jou tyd." Louise Hart*

*My wish is that you will remember these words, and that we will see you at all our various activities at the school. We are partners in education and must support each other to prepare our boys for their future.*
