Dear Parents

Baie welkom aan elkeen wat reeds deel is van die Klein Boishaai-familie. 'n Spesiale woord van welkom aan al ons graad 1- en nuwe ouers. Ek is oortuig daarvan dat u sommer reeds ingeskakel het en tuis voel in u nuwe omgewing.

May I say that I am very proud to be part of this prestigious institution and am looking forward to a successful career as part of the Klein Boishaai community.

Ek verklaar hiermee dat ek my verbind tot die etos en tradisies van hierdie skool en sal daarna strew om doelwitte te formuleer en te bereik wat dit ondersteun en verder uitbrei.

Our focus will be on:

- To be an excellent learner
- Good sportsmanship
- Impeccable conduct

We need your support to establish these values with our boys.

“ Die beste ding wat jy op jou kinders kan spandeer, is jou tyd.” *Louise Hart*

My wish is that you will remember these words, that we will see you at all our various activities at the school. We are partners in education and must support each other to prepare our boys for their future.

General information

Building project:

You may have observed that the school has undergone a slight metamorphosis during the past holidays. The construction of three new classrooms commenced during the holidays. This project is almost completed and we plan to move during the coming March holiday.

Beheerliggaamverkieping:

Die Beheerliggaamverkieping vind op **Dinsdag 6 Maart 2012** plaas. U teenwoordigheid by hierdie geleentheid is baie belangrik. Verdere kommunikasie hieroor sal later volg.

Learners:

Please motivate your child to take part in at least one summer and one winter sport. Every boy must make use of the opportunities as presented in our extra-mural programme. We are truly proud of our school and expect the boys to be an advertisement where ever they may represent the school. We ask your support in this regard.

Ouers:

U ontvang vandag 'n kwartaalprogram en die buitemuurse program vir die res van die kwartaal. Maak asb. seker dat u die tye en datums op u van toepassing nou reeds aanteken.

U samewerking met die volgende aksies word ook verlang:

Kommunikasie met opvoeders kan ongelukkig nie gedurende onderrigtyd geskied nie. Indien u belangrike inligting met die opvoeder wil deel, moet u van die sekretaresses gebruik maak. Pakkies vir leerders sal slegs tydens pouses aan hulle gestuur word. Leerders wat iets vergeet het, moet ongelukkig die gevolge daarvan dra. Ondersteun ons asb. in die toepassing van ons dissiplinêre kode deur sinvolle gesprekvoering met u seun indien hy sou oortree.

Die veiligheid van ons seuns is baie belangrik en daarom vra ons u om die verkeersreëls om die skool met die nodige versigtigheid na te kom.

Ek sien baie uit na die naweek se Gesinskamp te Lientjiesklip. Wat 'n wonderlike geleentheid om sommer vroeg in die jaar reeds tyd saam met u en die seuns te geniet.
